

Submitting a Customer Application

Ready to submit your first application? Great! Simply choose one of the following options, complete fully, and that's it! FTL Finance will notify you of the credit decision!

Submit an Application Online

- Go to www.ftlfinance.com
- Login to your contractor portal
- Choose the option "New Financing Application" on top right in green
- Fill out the required fields, click submit
- You will receive an automated response via email confirming application has been submitted
 - FTL Finance reviews all applications that come through. By taking a "second look" to these applications, FTL Finance may approve an application that would in other cases be declined.
- Upon a final application decision, your AppTracker will be updated for your viewing

Complete a Paper Application

- Contact your Account Manager and/or the training website for a paper application OR one has been included in your Welcome Packet after coming a registered contractor
- Ensure that you have provided the information at the top of the application including dollar amount requested, your company name and your call back phone number
- Fax the application to 314.744.8738 or send it via email to apply@ftlfinance.com for processing
- You will receive a call from a processor within 15 minutes regarding the application decision
- Upon a final application decision, your AppTracker will be updated for your viewing

Call in an Application

- Call 1.800.981.9032
- Press 1 to process an application
- Answer all questions that the processor asks from the fields on the application
- The processor will enter the application and have the underwriter review it
- A processor will call you back with the application decision
